

Raising Inclusive Young and Diverse Learners (R.I.Y.A.D) 2025-2026

Start and end of project: 01.09.2025 - 31.08.2026

Project locations: Governorate of Mafraq

Access to school and the possibility to pursue education is essential for children and their development, as well as their future prospects as contributors to socio-economic development in their societies. All children have the right to protection and education and have opportunities for a successful and self-determined future.

The Project's implemented activities are Kindergarten Classes for KG2 students Program targeting **50 students (5-6 years old)** who are not enrolled in any regular school and aiming to prepare children academically, socially, cognitively and psychologically to enable them enroll in first grade in regular schools. Special attention will be given to **Children with Disabilities/CWD**. In addition to access to educational opportunities, children are supported through psychosocial measures. Teaching staff receives training to convey school content to vulnerable children, while taking their specific needs into account. Parents and legal guardians of children are included in the program by facilitating their participation. Partner schools benefit from an improvement in the school infrastructure.

'Raising Inclusive Young and Diverse Learners (R.I.Y.A.D) 2025-2026' project is implemented by Caritas-Jordan, in cooperation and funded by Caritas Austria.
